- A. Call to Order and Introductions**—Meeting called to order by Melanie Bagby (Cloverdale) at 9:08. Roll call was taken.
- B. Approval of the Agenda**—Agenda was approved with no revisions.
- C. Approval of Standing Items**
- Minutes: May 23 Board of Directors Meeting—Not considered, no quorum.
- D. Guest Presentation: Dr. Claudia Luke, Director, Center for Environmental Inquiry, Sonoma State University (SSU), “The Role of Water in an Environmentally Ready Society”**
- Dr. Luke provided a presentation on projects focused on water at SSU. What is the role of higher education in trying to achieve an environmental ready society? SSU’s program includes outdoor learning, partner projects, and incorporates all disciplines.
 - The WATERS collaborative is a partnership between SSU and Sonoma Water to engage students with various environmental topics across multiple disciplines. SSU is rolling out a new 3-year program. Focus on a question, engage with multiple disciplines, and bring back findings. There is high public support for engaging students on environmental projects.
 - Andy (RRWA) previously met with SSU and Sonoma Water to discuss the WATERS project and see how RRWA can partner with this program. SSU wants to be more involved in the greater community. RRWA is always interested in new partnerships.
- E. Board of Directors Business**
- 2018/2019 Work Plan wrap up—Andy (RRWA) summarized the projects completed during the 2018/2019 workplan.
 - River and creeks stewardship
 - Cleanup event sponsorship—Creek Week is September 21-28.

The Russian River Watershed Association complies with ADA requirements and will attempt to reasonably accommodate individuals with disabilities upon request.

Please contact Andy Rodgers, Executive Director, at 707-508-3670 with any questions.

- ii. Trash bin support program—The Board directed RRWA to have a program to support emergency trash cleanup. RRWA has developed a process to engage the TWG as opportunities are identified.
- iii. Sharps and needle collection guidance—RRWA has developed guidance on sharps handling and disposal. The document will be posted to the web and distributed in support of cleanup efforts.
- c. Project Updates
 - i. 2018/2019 Outreach Update—Andy (RRWA) provided the Board with a summary of RRWA's outreach efforts including the banner, grease scrappers, Creek Week support, event attendance, and the high school video contest.
 - ii. Laguna Monitoring and Report Plan—Colleen (RRWA) The most recent plan was submitted to the Regional Water Board.
 - iii. Children's Placemat—The placemat has been distributed to Russian River Brewery and Bear Republic. Board members are supportive of distributing placemats within their jurisdiction. RRWA will provide the Board members with placemats to distribute.
 - iv. Environmental Column—Melanie (Cloverdale) would like to write an article on Creek Week. This will be in addition to the regular environmental article. Ann (Sonoma Water) will help coordinate and work with the RRWA on this effort.
- d. BOD 2019 meeting schedule
 - i. September 26
 - ii. December 12

Andy (RRWA) offered to coordinate field trips associated with Board meetings. The Board was generally in favor of this idea. Andy will follow up with all Board members to make sure meetings dates are on everyone's calendar.
