Dear Andy,

Coastwalk sincerely appreciates The Russian River Watershed Association's sponsorship of \$500.00 for the 2020 Coastal Cleanup. Your contribution enabled Coastwalk/California Coastal Trail Association (CCTA) to successfully promote, coordinate, and implement the Coastwalk Cleanup Crew, a year long pilot that enables individuals and families to safely perform beach cleanups during the Covid 19 pandemic.

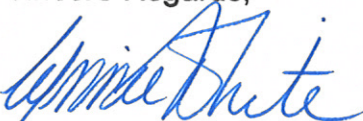

To date, we have engaged 65 individuals in the Coastwalk Cleanup Crew of which 13 are families with school age children. In an effort to streamline data reporting of coastal debris removed, individuals and families are using the Clean Swell App.- a free phone application developed by the Ocean Conservancy as part of the long-standing Trash Free Seas campaign.

We thank you again for helping us keep our coastal environment healthy for both human and wildlife visitors and residents as well as providing an opportunity for people to be a part of the solution.

The Coastwalk Cleanup Crew is a year-long cleanup effort. If you have any questions or input regarding this program, please do not hesitate to contact me directly at (707) 829-6689 or email me at connie@coastwalk.org.
