

RRWA Tabling Kit- Supply Checklist

The following items are all the marketing materials available for RRWA tabling events. Supplies can be found in the back-supply room in or around the black cabinet. The tabling kit should be stocked with everything, but items can be removed depending on the tabling event. Please note that some handouts are professionally printed, and some can be printed inhouse using Silver-Xerox 7545 Color **PCLC** for color consistency. Hyperlinks are provided where available on RRWatershed.org for quick printing and ordering.
