Russian River Watershed Association
2235 Mercury Way Ste 105
Santa Rosa, CA 95407-5472

Dear Russian River Watershed Association,

Thank you for your generous gift! Because of your generosity, Daily Acts is driving strongly on two ambitious long-term goals:

1. Helping create a Climate Emergency Mobilization Road Map to realize zero carbon emissions, carbon drawdown and climate adaptation, while centering on equity and addressing the health impacts of the climate crisis.
2. Working with agency and non-profit partners at the regional, state, and national level to spread solutions and models, while strengthening leadership networks.

This means unleashing the power of community locally and beyond to create a tipping point toward a regenerative, climate resilient future for all. A future with a stable climate, clean water and air, and equitable opportunity for everyone to live their potential. *Your support is what makes this possible.*

This letter serves as a tax receipt for your sponsorship. Daily Acts is a 501c3 non-profit organization and our tax identification number is 20-3851259. *The \$1,000.00 value of your sponsorship is tax deductible* to the fullest extent allowed per IRS regulation.

"It's because of the passion that Trathen and the entire team demonstrates that I actually have hope - I have hope that we can tackle this climate crisis. Daily Acts, you are the real deal. We are so grateful that you are helping lead the way to a more sustainable future." – Senator Mike McGuire, California State Senate

You give the gift of hope with your donation. Thank you. We are immensely grateful for your investment in this important work, especially during these uncertain times. Thank you for everything you do!

On behalf of our board, volunteers, staff, and community, thank you so much for your generosity in this important time.

Take heart, take action,

Trathen
