

Need supplies to help you through the drought?

Come to the

Drought Drop-By Event!

Saturday, June 12 9:00 AM to 1:00 PM

The graphic features a cracked, brown background. On the left is a white bucket with a blue water drop above it. The bucket has a circular logo that reads "SONOMA - MARIN SAVING WATER PARTNERSHIP". In the center, the words "DROUGHT" and "DROP BY" are written in large, bold, white and blue letters respectively, with orange horizontal lines above and below. Below this, the text "June 12 - 9am to 1pm" and "Pick up a FREE water-saving kit." is displayed in a dark grey font. On the right side, there are three logos: the Mendocino County seal, the Russian River Flood Control logo, and the Resource Conservation District Mendocino County logo.

Two Locations:

Club Calpella and Redwood Valley Grange

DROP BY: Drive, walk, or bike up to one of two locations and receive a **FREE** bucket filled with water conserving items and information for your home to achieve 50 gallons per day per person. Only 250 buckets at each location, so arrive early. One bucket per household.

Club Calpella: 6175 N State St, Ukiah

Redwood Valley Grange: 8650 East Rd, Redwood Valley

Contact Deborah Edelman at 462-3664 ext. 106 for more details.

Co-hosted by the Mendocino County RCD, Mendocino County Water Agency, Russian River Flood Control and the Sonoma-Marin Water Saving Partnership.

Thanks to Club Calpella and Redwood Valley Grange for their generous support.
